Dear Sponsor,

While it may be hard to believe, the **5<sup>th</sup> Annual Beverly J. Wright Memorial Bowling Tournament** is just around the corner. The success which was realized last year would not have been possible without the outstanding support of the many corporate and individual sponsors who contributed thousands of dollars in cash and merchandise. Through their generosity, the tournament raised over **(\$18,000.00) Eighteen Thousand Dollars** in 2010 which was donated to the local and national chapters of the Susan G. Komen Foundation for Breast Cancer Research®. This brings our total to date to **(\$39,000.00) Thirty-Nine Thousand Dollars**.

We added two new tournaments in 2010. Altogether the tournaments drew over **200** entries from across the state of Florida. **17** counties were represented by top athletes as well as recreational bowlers who helped raise money for breast cancer research and patient support. Along with **Cypress Lanes** in Winter Haven, which hosted the weekend of tournaments, **Kegel** in Lake Wales also led the way as a local community sponsor.

This year we will be adding two more tournaments, for a total of five tournaments the weekend of July 16-17, 2011 to coincide with our fifth year in existence. The Board of Directors of the Beverly J. Wright Memorial Fund is currently accepting sponsors to contribute to this year's tournaments. **Kegel** in Lake Wales, Florida will be supporting our efforts this year in part by auctioning a new pink lane machine and donating a portion of those proceeds in recognition of the fifth year of our fund-raising efforts. We hope you will also join your support with the Beverly J Wright Memorial Fund, Inc. Sponsorship may be in the form of a direct cash contribution and/or products and/or services which may be used in our tournament raffle. With the addition of two new tournaments this year, your generous support will help make this weekend of tournaments the most successful to date.

Bev Wright was well known in the Florida bowling community. She volunteered her time on local bowling association committees, promoting and competing in the sport she loved so much. Bev's endless optimism and fierce determination to live was heartfelt by all her friends during her battle with breast cancer. Her last request was to **"Keep the Ball Rolling"** so in her honor, the Beverly J. Wright Memorial Tournaments were created as the most fitting way to pay tribute to her.
